Bulky waste 2026

Bulky waste is sorted into the following bins/groups

Large hard plastic

E.g. garden furniture, tubs, planters, toys, etc.

Large iron and metal

E.g. bicycles, strollers, large pots, drying racks, etc.

Electronics

Computers, printers, TV sets, radios, record players, coffee machines, vacuum cleaners, etc.

White goods

E.g. refrigerators, washing machines and dishwashers, hobs, etc.

Wooden furniture

E.g. tables, chairs, cupboards, other wooden furniture (untreated, varnished or painted)

Upholstered furniture

E.g. sofas, armchairs, cushions, beanbags, etc.

Mattresses and carpets

E.g. spring mattresses, top mattresses, foam mattresses, etc.

Textile waste

Clean and dry textile waste in closed, transparent bags or sacks. Wet, dirty or moldy textiles are residual waste. Recycled clothing, shoes and bags in good condition are not textile waste, use the recycling containers at the municipality's recycling site (Containerhaven, Rundforbivej 174 - Nærum) instead.

Bulky waste is not

Large cardboard - Sanitary - Mopeds - General combustible waste and construction waste - Impregnated wood - Paper and glass (incl. bottles and glass packaging) - Large pieces of cardboard - Glass tables - Oil and chemical waste
Garden waste - Entire estates and other large quantities.

The above waste must be delivered to Containerhaven, Rundforbivej 174 - Nærum

NOTE!

Each individual item must not be larger or weigh more than that it can be handled safely by two people.

Make sure that wooden furniture is separated if it consists of both metal and wood.

Only transparent garbage bags may be used.

See opposite page for times for dropping off bulky waste, etc.

Bulky waste must be deposited

in the periodically fenced area immediately opposite the container yard,
where there will be booths for the different fractions.

Residents can drop off bulky waste on the following days:

January/February:

Friday 30.01. at 7 am to Monday 02.02.2026 at 7 am

March:

Friday 27.03. at 7 am to Monday 02.02.2026 at 7 am

May:

Friday 22.05. at 7 am to Monday 02.02.2026 at 7 am

July:

Friday 17.07. at 7 am to Monday 02.02.2026 at 7 am

September:

November:

Friday 06.11. at 7 am to Monday 02.02.2026 at 7 am

NOTE!

Large cardboard packaging and general combustible waste
may not be placed as bulky waste. Cardboard should, if possible, be cut up and
placed in the dumpsters. Large cardboard and general combustible waste
should be taken to the municipality's container yard.

Only transparent bags may be used.

The bags may not contain mixed waste.

Small electronic and hazardous waste

Roller containers for small electronic and hazardous waste will be permanently
placed in front of the gate to the container yard.

Garden waste

Deposited in the newly established Grengård north of the
real estate office on the grass towards the track path.

Green and black garbage bags

can be picked up free of charge at the laundry.

**The key that previously fit the gate to the container yard
can be used for the door to the laundry.**

Dog bags can be found in the holder on the wall by the real estate offices

See opposite page what is - and is not - bulky waste.
